about me

I am a Video Editor looking to take my next step; a role in an energetic, creative team who want to make amazing, meaningful films while having a little fun along the way. I work on a variety of projects in my free time, the latest of which was a short horror comedy called "Holy F__K" which won lots of awards, including Best Short Film at the Full Moon horror festival in Transylvania, voted for by audience members driving a stake into their favourite film.

- Experienced corporate Video Editor
- Natural storyteller - turning rushes into a compelling narrative
- Multitasker - from treatment/pitch research to delivery
- Experience collaborating with / managing freelancers
- Experience working with directors, producers and clients to bring their vision to life and meet the client brief
- Extensive knowledge of post-production workflows - from camera workflows right through to archiving and managing media servers
- Colour grading and mixing experience
- Basic motion graphics - lower thirds/logo reveals/screen replace etc
